The 1947  
Rural Directory  
For FREMONT COUNTY, Iowa

Published by R C BOOTH ENTERPRISES, Harlan, Iowa  
Price \$12.50

The information in this directory concerns the occupancy of Fremont County's rural homes, as compiled from a careful coverage of the county during the farming year of 1947 and published by R C Booth Enterprises, Harlan, Iowa without advertising through the co-operation of Fremont county business and professional men who purchase books.

THIS BOOK HAS THREE SECTIONS

1--On the TOWNSHIP MAPS (arranged alphabetically) each number indicates a section number of that township. Each letter (A, B, C, Etc.) indicates a rural home. Below the township maps the rural residents are listed by sections.

2--In the ALPHABETICAL DIRECTORY in the center of the book the occupant's name, post office address, location on the map, and indication whether owner or renter (O or R) are given.

EXAMPLE: O Bennett, Henry. . .Thu Rt 2. . .Gree 18B. This indicates that Mr. Bennett gets his mail on Thurman rural route No. 1 and that his location will be found in section 18..home "B" on the Green township map.

3--In the MAILING LIST Fremont County rural box holders are listed under route on which they receive their mail.
